flip it back and...

reverse it—"fit" meaning your carbon footprint. If you ever decide to retire the 100 percent recyclable polyethylene base of Andreu World's Reverse table, offered in two sizes and five colors: Red Cayenne, white, black, Chocolate Brown, and Cement Gray. Mix and match the sculptural bases, designed by Piergiorgio Caszanga, with tops in any custom diameter and thickness to create proportions perfect for any interior. **space 10-132**

A line of multidimensional rectangular, and taller form lounge series designed by G200 corner pieces and single- and 90-degree shapes, and squares that can be indoor air quality, the series
