## SPRING BOARD

**THE PARTY:** Luminaire teamed up with *CS Interiors* to wave goodbye to winter and celebrate the new Spring issue with three floors full of guests, who turned out to sip cocktails, mingle and appreciate new outdoor furniture designs from Roda, B&B Italia and Paola Lenti. Designer anke loh's fashion collection was also on display. **THE PROVISIONS:** Chef Stephen Wambach of Epic and chef Dirk Flanigan of The Gage restaurant prepared tasty, on- and off-the-menu munchies, including fresh hamachi with artichoke and blood orange, and venison carpaccio with quail egg. —DT
